IN Bulletin 8 – Young peoples' involvement in paediatric dentistry

Welcome to the eighth issue of our IN: Bulletin.

This bulletin focuses on Young peoples' involvement in paediatric dentistry. YPAGne (Young Person's Advisory Group

North England) member Ollie Waterhouse and Greig Taylor NIHR Academic Clinical Fellowship, Specialty training Registrar in Paediatric Dentistry explain.

Report on Involving Children and Young People in Research

This report presents the findings from both a mapping exercise and survey regarding the process of involving children and young people in research as advisers as opposed to research participants. Both these activities were undertaken by INVOLVE Coordinating Centre staff with guidance and advice from the Children and Young People's Working Group which consists of young people, public involvement leads and researchers.

Children's Liver Disease Foundation

IN Bulletin 6 – Involving

young people in research

Welcome to the sixth issue of our IN: Bulletin.

This bulletin focuses on young people in research. Sam Goold, INVOLVE's Public Involvement Officer, meets a researcher and young person from a healthy eating research project.

What you need to know about payment

An introductory guide for members of the public who are considering active involvement in NHS, public health or social care research.

20 pages

Please note that benefits guidance and tax legislation have been subject to considerable change/reinterpretation since 2019. Any INVOLVE documents referring to the payment of involvement fees may now be out of date and are pending a review during 2020. INVOLVE's guidance should not be substituted for professional advice, and INVOLVE accepts no liability for decisions or actions taken as a result of its guidance. You are always recommended to take your own tax, finance or legal advice.
