What you need to know about payment

An introductory guide for members of the public who are considering active involvement in NHS, public health or social care research.

20 pages

Please note that benefits guidance and tax legislation have been subject to considerable change/reinterpretation since 2019. Any INVOLVE documents referring to the payment of involvement fees may now be out of date and are pending a review during 2020. INVOLVE's guidance should not be substituted for professional advice, and INVOLVE accepts no liability for

decisions or actions taken as a result of its guidance. You are always recommended to take your own tax, finance or legal advice.

Public involvement in research and research ethics committee review

This statement has been developed by the Health Research Authority (HRA) and INVOLVE for researchers who will be submitting applications for ethical review to provide clarity and guidance on public involvement in research and the requirements of Research Ethics Committee (REC) review.
