

Contact us

There are several ways to find out about the work of INVOLVE and others on public involvement in research.

You can also:

- [join our mailing list](#) to receive our quarterly newsletter and email alerts from our website
- Follow us on twitter [Follow @NIHRINVOLVE](#)
- [follow the National Institute for Health Research on twitter.](#)

We would like to hear about work that you are doing around public involvement in research. Please let us know by:

- [submitting an article for our newsletter](#)
- [entering details of your research project into our database](#)
- letting us know about publications you have written on public involvement in research for our [databases](#) or [newsletter](#)
- sending in [news](#) items for our website.

Please spare a few minutes to complete a [short survey](#) to let us know what you think about our website.
